**MAN GROWS YOUNGER**

AS HE REFUSES TO EAT.  
New York, May 24.—After a fast of eight days, Dr. Gustave A. Gayer finds himself 16 pounds lighter, but stronger, he says, clearer in mind, and with better memory and eyesight. He will consult an oculist for an opinion on the improvement of his eyesight.

The doctor sleeps out of doors and drinks water freely. He acknowledges that for the first three days the smell of cooking drove him out of the house, but says that harder still, he found the deprivation of tobacco. He used to smoke 10 cigars a day. His hair has stopped falling out and he thinks it is turning darker.

## HAPPY RESIDENT OF THE SUNFLOWER STATE

Mrs. Helen A. Mauer, whose illness is reproduced herewith, is a resident of Hays City, Kan., and about the happiest woman in the Sunflower state. Mrs. Mauer has recently regained her health after a long period of illness, in ap-

preciation of which she has given a statement for publication, as follows:

"For eight years I suffered from stomach and kidney trouble, from which I was unable to obtain relief. I treated with several doctors and tried many advertised remedies, with disappointing results. My health declined until I became a physical wreck, with my vitality exhausted and my nervous system broken down."

"My husband, becoming impressed with an advertisement of the Cooper's New Discovery, I had lost faith in everything but consented to do so. Much to my surprise it helped me, and I began to improve from the day I took the first dose."

"Now, after having taken the full treatment, I feel like a different woman with several doctors' backache or dizziness. I am strong and well. That tired feeling is completely gone, and a pain I have had in my stomach for the past six months has disappeared. Cooper's New Discovery is simply wonderful."

We sell Cooper's New Discovery. Thousands of grateful people throughout the country have testified to its marvelous curative properties. Let us explain to you the nature of this remarkable stomach preparation.—Kelly & Pollard.
